

## 2020 J/70 Fleet Building Package

With nearly 1,500 boats sailing in 25+ countries, the worldwide growth of the J/70 has been nothing short of remarkable. J/70 national and international events are stronger than ever; numerous institutional programs are adopting the J/70 platform for event and training use; and the J/70 Class has organized a great line-up of future World Championships including Torbay, UK in 2019, Marina del Rey, CA in 2020, Monaco in 2021 and Newport, RI in 2022.

And the J/70 is so much more than just a great one-design. She's first and foremost a BLAST to sail and can be sailed by all ages and sizes – a perfect platform for family sailing. J/Boats' first ramp-launchable keelboat is also the easiest to own and trailer back home. To help you get started, J/Boats is pleased to offer a special J/70 sail-away package for 2020:

### **J/70 Fleet Building Package**

- *2020 Model J/70 with standard specification including:*
  - *Selden carbon mast, boom and standing rigging*
  - *Harken Snubbair low-profile winches*
  - *Additional jib sheet cleats and vang cheek blocks*
- *Triad Trailer - Galvanized, single-axle, float off/lift off trailer*
- *One-Design Class Sails – mainsail, 100% jib and A2 class spinnaker with class sail tags.*
- *Companionway spinnaker bag.*
- *Safety Gear package – anchor, chain & rode, bucket, bilge pump, first aid kit, two fenders, two dock lines.*

The special package is \$49,900 (Bristol, RI) with an order deadline of October 15, 2019. Delivery dates are from August 2019 to January 2020. Please contact your local J/dealer or J/Boats.
